

# Service Opportunities

If you may be able to help, talk to a church leader or contact, [office@cometofirst.com](mailto:office@cometofirst.com)

## TEAMS WITH ONGOING BIG NEEDS

### Connections Team

Are you a person who likes people? We need Sunday morning "**GREETERS**" to welcome people with a smile and answer questions. We also need "**SECTION HOSTS**" to connect with people before and after service. We also need people to join our **FOLLOW-UP TEAM** of people who connect with our visitors after their visits to help them get plugged in.

### Kids' Ministry

Our kids' ministry is growing! We are in deep need of many people to watch over babies and toddlers in our **NURSERY** rooms. For our older kids, we need **AWANA LISTENERS** in Fall/Spring Wednesday nights to coach kids through their memory verses. We're always on the look-out for more kids' **TEACHERS AND LEADERS**, as well!

### Digital Missions Team

Join a team of people who can take great pics, shoot video, and produce slides, signs, graphics, and social media posts.

### Many opportunities are UNLISTED....

Remember that this is an emphasis list, there are many places besides these to serve at FIRST! Please talk to a church leader or email us, to join the movement and meet new people!

## Many Other Opportunities to Serve

- **Small Groups Liaison:** We need an individual who can work with our groups' elder to help coordinate our small groups ministries, lead groups events, and help people find their group!
- **Church Center Advocate:** We need someone good with apps to help individuals and ministry groups to learn how to use our church app. As always, training provided!
- **Event Coordinators and Assistant Coordinators:** Take the lead over a specific event to make sure all elements of the event run smoothly.
- **Kitchen Team:** Be a part of a group of people, who prepare and serve food for our church!
- **Creative Team:** Dream up ideas, oversee, and craft and create elements to illustrate and magnify sermon and other church themes, events, and emphases.
- **Building and Maintenance:** We're currently forming a new team of people to keep our church building and grounds working and looking great and inviting. There's a lot to do!
- **Sacrificial Services Team:** Connect gifted people to the church's needs and mission!
- **Youth:** Join a team of leaders looking to build relationships and pour Christ into our church's teens!
