Commentary

General fund giving for seven months into the fiscal year was \$227,591, which is \$21,020 (9.73%) short of year-to-date budgeted needs of \$215,974. Year-to-date general fund spending of \$205,655 is \$20,979 (8.33%) year-to date budget, partially offsetting the shortfall in giving. General fund giving for the current year-to-date exceeded the previous year's General Fund giving of \$191,147 by \$36,444 (19.07%), reflecting the growth of our congregation.

An additional \$427,246 was raised for other funds (primarily for Building Fund Projects including Room-to-Grow). A total of \$74,113 has been raised for the Room-to-Grow purchase. Also included was a very generous gift of \$160,000 from the remaining assets of KBC, plus \$117,276 from the sale of the parsonage. These funds are to be used where most needed for Building Fund purposes. The Pastors and Elders extend their thanks to KBC and to the combined flock for your continued faithful support of the ministries of FBC.

Cash in the bank increased by \$284,513 primarily due monies raised for Building Fund purposes.

Each person should give what they have decided in their heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. (2 Corinthians 9:7, NIV 1984)
